Effortlessly stylish, architecturally brilliant and practically designed

Pathfinder Homes' lodge of the year 2016, The Willow offers natural lifestyle inspiration in every corner.

This home not only feels different but, is indeed different, in practicality, defining lifestyle. There's something truly ineffable about a Willow tree, gracefully flowing, dancing and animating its surrounding landscape. The presence of these towering trees inspire growth, independence, deliverance and in reality, life. And exactly that, The Willow inspires its natural surroundings and inhabitants.

The symmetrical, centre lounge design emphasises the focus on the living areas, maximising social, open living and promoting a character of life. With the vaulted ceilings throughout and the horizontal parallel of large windows and French doors, the light fills the open plan, spacious living space. The large graceful table and distressed style chairs are in textbook location to enjoy the beautiful sunset on those long summer evenings.

The lounge expresses luxury and contentment with a magnificent sofa, two armchairs, the matching coffee table and the electric wood-burning stove. This space is designed for real family time. The Willow hosts a modern, integrated kitchen with all the appliances needed for any aspiring chef or just for when cooking is a necessity! The palette of fresh yet warm colours flow through the whole open space from the kitchen units to the dining table.

Both bedrooms in this ineffable home host master qualities accommodating a queen sized bed, practical built in wardrobe storage, a precious dressing table and what's more? Both rooms lead to an inviting ensuite. The first bedroom situated at the north of the home is more like a tempting boudoir. The palette of fabrication and design is simply divine and encompasses flawless perfection at its very best! The immaculate bedroom leads to a simply stunning ensuite. Naturally tiled and fully fitted, this room features a stunning freestanding bath boasting a huge 1700 magnitude. The full length windows with obscure glazing allow the natural light to gently tease through but assuring absolute privacy.

The second bedroom perfectly parallel with the first offers enormous space and an opportunity to embrace the ethereality of the home. The ensuite wet room holds a huge 1600 x 800 shower, a chrome ladder heated towel rail and of course, all the stylish vanity extras you would expect.

The home's symmetrical floor plan empowers it with an idyllic and applied solution to living the aspirational and highly desirable lodge lifestyle. Carefully drawn and designed to replicate the sound benefit and cosy structure of a Willow Tree – a perfectly shaded sanctuary yet, with heaps of natural light!

The Willow offers freedom and balance in life while inspiring a social and natural being.
