The Dusk is modern, warm, and thoughtfully designed, whilst also intriguing, wistful, and reflective. Perfect storage solutions throughout and intelligently integrated appliances result in something beautiful.

The Lounge is a perfectly concealed hideaway with sliding doors, both space-saving and elegant. The pocket doors slide back into the wall as if by magic, creating an air of mystery as well as character, which is aided by the presence of a secondary sliding barn door leading into the Dining area.

The Kitchen is the largest yet, with units and appliances around the whole room. Island/breakfast bar takes centre stage making this the perfect space for entertaining. Adjacent is a fabulously practical Utility/Boot room.

The Dining room with its eye-catching feature wall and large French doors

which allow for a sense of alfresco dining as well as a light and open setting in which to enjoy your meals. Large bedrooms both have multiple storage areas with built-in wardrobes and bedside tables.

A dropdown desk allows for a sealed-off area perfect mini office. Opposite this space is the fully fitted Bathroom, featuring a free-standing bath complete with a heated towel radiator.

The Dusk is designed not to replace or change, but to compliment your lifestyle.
